

GATE ON TWO-RAIL FENCE

WINDSOR HIGHLANDS | 08-29-2011

Gate detail is for 2 rail wooden fence in District No.1 and No. 2.

The rear lot fence is owned by the WHMD. Gate placed by homeowner after permission is given filling out our ARCHITECTURAL DESIGN APPLICATION for Modifications to Home or Landscape. (if not on original landscape request form)

Homeowner will follow specifications set by the District. Homeowner is responsible for all maintenance on the gate. If homeowner does not keep gate in good working order, the Windsor Highlands Metro District will remove gate at homeowner expense and place two-rail fence. Gate opening is not to be larger than 4 feet wide. Posts will be placed in concrete and fence will be stained when complete. Gate is to remain closed at all times except for passage to and from yard.

Gates are not to be placed on District fence that backs up to the Golf Course Property.

Golf Course is Private Property, not to be entered from your yard. You must check in with Golf Course before entering Golf Course Property.
